Los Angeles Best Kept Secret For Flawless Younger Looking Skin!

Spa Products Available at Facial Bungalow, www.facialbungalow.com

Description: What happens when you combine one of the most sought after medical estheticians in Los Angeles, with her own signature skin care range and medical spa in the heart of Hollywood? A journey to beautiful, flawless looking skin that you want to embark on immediately! For over 8 years Trina Renea has built an elite clientele, lucky enough to have experienced her expertise and reaped the benefits of her cutting edge tools, products and methods. Her non-invasive and highly-effective approach to beautiful younger looking skin is a true testament to her years of practice and constant learning of the latest and most effective treatments and tools around, some of which are the only of its kind in California! The Facial Bungalow's highly skilled team of hand selected Estheticians have been privately trained by Trina and are some of the best in the City. From the Bungalow's Signature Facial, giving ultimate rejuvenation, to the Oxygen Detox for ultimate tightening and plumping, the Facial Bungalow is at the forefront of the medical spa industry. So go ahead and give the gift of flawless looking skin well into 2012!
